

SENATOR BEREUTER: Mr. President, members of the Legislature. The purpose of my amendment is simply to add the dollars necessary to permit the review committee, which would function from three months after the time this bill is enacted until they report to the Legislature December 1, and then subsequently until it is eliminated as a committee, July 1 of 1978. I have received counsel on the amount of appropriations necessary to pay the per diem and expenses for this small seven member committee, and to pay for secretarial and staff assistance. That is the purpose of this amendment to the A bill. I move for the adoption of the amendment.

SPEAKER LUEDTKE: Any further discussion? If not, then the motion is the adoption of the amendment to the A bill, 38A. This is the amendment, the Bereuter amendment. All those in favor vote aye, opposed nay. This is the Bereuter amendment to the A bill, which was explained by Senator Bereuter and Senator Barnett. We'll leave the board open while we give everybody a chance to get over and vote. Have you all voted? Has everybody voted on this? Senator Warner, did you want to vote on this? It's the A bill on 38A. This is the Bereuter amendment to it. Senator Bereuter.
